# Summary of the Eggapple Portfolio

the tools of imagination and wonder have, since its founding in Toon 12, guided Eggapple in using peerless creativity to enjoy the richness, potential, and culture of abstract thinking. *The Drigamic Symphony* is compiled through the three core opuses of Stewart's Opera: Opus FIN, Opus GD, and Opus MEGH. within this agency are various cine, fables, poetry, and lyrics being presented as a musical simulacrum sous de un roman à clef, by Link Starbury and his creatures.

Eggapple is a toy design portfolio, and the authenticator of Stewart - the choreography of a stew; a unifile codec formatted from both arcade and cassette fonts. in stereo, Stewart expresses Clay Busbey and the Ballet Clover as a complete computational framework.
